**OFFICE OF PETITIONS**

In re Application of	:	
Jacopy, Philip	:	DECISION ON PETITION
Application No. 10/824,730	:	TO MAKE SPECIAL
Filed: April 15, 2004	:	37 CFR 1.102(D)
Attorney Docket No. 13237.0001U2	:	

This is a decision on the petition under 37 CFR §1.102(d), filed January 4, 2005, to make the above-identified application special based on actual infringement as set forth in M.P.E.P. § 708.02, Section II.

The petition is **DISMISSED**.

A grantable petition to make an application special under 37 CFR §1.102(d) and MPEP §708.02, Section II: Infringement, must be accompanied by the required fee pursuant to 37 CFR 1.17(h) and a statement by the applicant, assignee, or attorney/agent registered to practice before the office alleging:

(A) That there is an infringing device or product actually on the market or method in use;

(B) That a rigid comparison of the alleged infringing device, product, or method with the claims of the application has been made, and that, in his or her opinion, some of the claims are unquestionably infringed; and

(C) That he or she has made or caused to be made a careful and thorough search of the prior art or has a good knowledge of the pertinent prior art.

Applicant must provide one copy of each of the references deemed most closely related to the subject matter encompassed by the claims if said references are not already of record.

The instant petition fails to meet the requirements set forth above for special status because it lacks item (B) above.

The Power of Attorney to the petitioner who filed the instant petition was revoked by the assignee in May 2005. A courtesy copy of this decision is being mailed to the address given on the petition; however, the Office will mail all future correspondence solely to the address of record.
